Thank you first and foremost to Richard Denesiuk for your infinite love and support. Without you, I don't know how I would have gotten this project completed. I love you with all my heart and soul. Thank you Don, for agreeing to do this album. You are a rock. Your artistry and musicianship are second to none. Next...SPANK IS IN THE HOUSE! What a band! Murray, Marc, Gilles, Daniel, your talents and artistic input were integral to the enhancement of the tunes. It's all in the details and you know how to bring a song to its full potential. Ginette and Christine, my dear talented cousins—your support is so important to me and I thank you for contributing your beautiful voices. Richard Moody, thank you for writing such gorgeous string arrangements. Dave, Ken, Jeff, Janice and Eric, thanks for lending your talents. Thank you to my family for your support and my dear sister Lucille for letting us record with your exquisite piano. Thank you Howie for your engineering savvy. Thank you Larry Roy for letting us use your studio. Thank you to Ervin Bartha, Norm Dugas, Dan Donahue, and Da Capo Productions for recording demos out of the goodness of your hearts and believing in me. And to the choir, thank you for being so professional and well prepared. You are amazing!
